### What is bareMinerals?

**bareMinerals is the Number 1 mineral  
make up collection in the world!**

Just arrived at Ahead of Time Hair & Beauty Spa is the award winning 'i.d make up collection'. The bareMinerals make up collection of foundations are 100% pure minerals that have been crushed to a silky, creamy powder form. Gliding over the complexion like a second skin, bareMinerals make up evens skin tone, conceals redness and enhances radiance. They are free of preservatives, talc, oil, fragrance and other potential skin irritants. With bareMinerals, your search for the perfect make up collection is over.

Bare Escentuals uses only the finest ingredients in our products. Made with crushed minerals from Mother Earth, 100% pure bareMinerals:

Get the girls together for a fun informative evening!
